A TASTE OF IBIZA

Dear Fellow Sailors and Club Members!

My team and I are very happy to be welcoming you again – or some even for the first time – to our traditional annual sailing weekend! Under the Club Yachting Life flag, we are confident to spend a few inspiring and unforgettable days together in the crystal clear waters of Ibiza and Formentera.

In compliance with the many requests we had, we are excited that we could incorporate a regatta day again in our programme. The new combination of a racing competition with relaxed cruising legs and enjoyable land activities in the spectacular surroundings of this magic island will hopefully be something you are looking forward to as much as we are!

As in previous years, we have tried to find locations and provide a programme that suits the beauty and class of your sailing yachts. We are pleased to see this year's event has been received with lively interest among owners, partners and media so we can proudly announce the participation of even more yachts and renowned journalists attending our sailing rally than in 2010.

Hence, we shall use this opportunity to cordially thank all those who are making this joint sailing experience not only possible but a great success every single year: A big Thank You goes to you, our clients, for your loyalty and your unbowed "passion for yachting" and also to our sponsors and partners for their support.

Special mention deserves the staff of the Marina Ibiza – our home base during the 2011 event - for their smooth organisational and logistic support, their exceptional service, their enormous creativity finding last minute solutions; in short: their outstanding commitment to help making this weekend a most special one.

A heartfelt Thank You also to my team for their hard work and passionate dedication.

Last but not least, we wish you a fantastic time, fair winds and a successful regatta!

Cordially,
